2010 Budget and Municipal Levy

At the Board of Directors meeting on February 25, RVCA approved the 2010 budget in the amount of \$8,754,600 with a municipal levy portion of \$4,190,000 (47.9%). General Manager Dell Hallett reported to the Board that, as a result of municipal concerns, the levy increase has been reduced from the proposed 4.5% to 2.7% by using reserve funds. Vice-Chair Ken Graham of Smiths Falls said "...it is the right thing to do. We are listening to and appreciate input from our member municipalities."
