LANDSCAPES FROM HOME ART SHOW IN THE CONSERVATION CENTRE

RIDEAU VALLEY, November 22, 2010 — Rideau Valley Conservation Authority is pleased to host a show and sale of paintings in the Atrium of the Rideau Valley Conservation Centre by well-known, local visual artist Shirley MacKenzie. The show, Landscapes from Home, features several local conservation area and regional landscape scenes. It runs until December 10.

In her Artist's Statement, Ms MacKenzie says, "These select landscape scenes were produced between 2000 and 2010. They are the documentation of places that have left their indelible mark on my imagination...The design by which we choose to view something creates a mood, sensation so intimate to our memory. How precious the natural world is when we choose to make or take a painting from it and put it on the wall."

All of our municipal, business and community partners are welcome to enjoy the show next time they visit the Rideau Valley Conservation Centre at the corner of Prince of Wales Drive and Rideau Valley Drive at the entrance to Manotick in Beryl Gaffney Park.
